Some items available include: soups, peanut butter, jelly, rice mixes, pasta mixes, fruit cups, and other food items and personal hygiene products depending on what is available for us to receive that month. We also have new children's winter coats, snow pants, hats, and mittens.

Principal's Blurb

After our return from spring break, our staff will start the process of creating next year's class lists. If there are special circumstances that you would like us to be aware of when considering classroom assignments, **please contact me directly by April 30th.**

Please keep in mind, we take into consideration many factors when determining these lists, we may not be able to honor all requests. We hope you can all trust that we have each and every one of your children's best interest in mind and will make the class lists to reflect that.

Additionally, we will be continuing MCA testing for grades 3rd-6th in April and the beginning of May, please see the attached calendar for specific dates.

Reminders

There will be **NO SCHOOL** on:

3/28-4/2, Easter Break.
4/22/24, Teacher Workshop.
