Our school offers healthy meals each day. Starting school year 2023-24, we are joining Minnesota's Free School Meals Program. All students can get one breakfast and one lunch free of charge each day at school. Although no application is required to receive this free meal benefit, filling out the Application for Educational Benefits is still important! Your child(ren) may qualify for other benefits like reduced fees at school. Your application may also help the school qualify for education funds, discounts, and other meal programs.
