It's hard to believe that it is already December. Our students and staff have been working hard to work toward our academic goals and to instill our Eagle Pride each and every day.

The cold won't stay away much longer. We will continue to have recess outside each day unless it is 0 degrees or lower, with wind chill, to allow our students the opportunity to get some fresh air and time to play outside in the (pending) snow. Please remember to send students with boots, hats, gloves, coats, and snowpants each day.

Please join us for the Christmas Program on Wednesday, December 20 at 1:00pm. Our students are excited to share this tradition with you!

Northland Community Schools Care Closet is open to all families in our school. Contact Mrs. Shepard for an appointment @ 566-2351 ext. 32027

Some items available include: soups, peanut butter, jelly, rice mixes, pasta mixes, fruit cups, and other food items and personal hygiene products depending on what is available for us to receive that month. We also have new children's winter coats, snow pants, hats, and mittens.
