Principal's Blurb

It's hard to believe that at the end of this month we will be three quarters through the school year. This has been such a weird winter, so I'm not sure what spring will bring.

Our spring parent-teacher conferences are scheduled for March. This presents a great opportunity to discuss your child's progress in school. As you are aware, home-to-school communication is an important factor in your child's success in school.

All your efforts and parental involvement is a direct correlation to your child's success, so again, we say THANK YOU! We continue to seek your support and assistance with reminding your child of their role in showing Eagle Pride: Respectful, Responsible, Productive, and Safe!
