Paid Holidays for Less Than 20 Hours Per Week Employees: Employees working less than 12 months and less than 20 hours per week shall be granted the following paid holidays: Labor Day, Christmas Eve Day, Christmas Day, Good Friday, and Memorial Day. Paid holidays will be pro-rated based on the employee's normal work day. For example, an employee who normally works 4 hours per day employee will receive 4 hours pay for each holiday while an employee normally working 6 hours per day will receive 6 hours pay for each holiday.

SECTION 2. Weekends: Holidays that fall on weekends shall be observed on a day established by the School District.

SECTION 3. School in Session: The School District reserves the right, if school is in session, to cancel any of the above holidays and establish another holiday in lieu thereof. Any legal holiday which falls within an employee's vacation period, shall not be counted as a vacation day.

SECTION 4. Application: In order to be eligible for holiday pay, an employee must have worked his/her regular workday before and after the holiday unless he/she is on excused leave or vacation. Eligible employees shall receive Labor Day as a paid holiday provided they work the Tuesday following Labor Day and Memorial Day if they work the day before Memorial Day.

ARTICLE XI: Vacations

SECTION 1. Eligibility: This article shall apply only to employees who are regularly employed on a 12-month basis and 40-hour week.

SECTION 2. Earned Vacations: Full-time, 12-month employees under these provisions shall accrue and use vacation in the same year as follows:

Years of Service	Accrual Rate per Month
Less than 1 (one) year	0 days
1-8	1 day

16-30	1.667 days
31+ years	2.0834 days

Earned vacations can only be used after completing a full year of service. Use of vacation time may start upon the anniversary date of employment. The 18-month period of time in which the vacation days are to be used is the 18 months from the anniversary date of the employee each year.

SECTION 3. Unused Vacation and Scheduling:

Subd. 1. Resignation: An employee who has completed at least one year of service shall be entitled to receive the pro-rata pay for unused vacation time provided such employee provides the School District with at least 2 weeks' advanced written notice of his/her resignation time.

Subd. 2. Scheduling: The scheduling of all vacation shall be determined by the employee's immediate supervisor.

Subd. 3. Unused Vacation Days: An employee may choose to be paid for up to 3 days of unused vacation time instead of using the vacation days. Unused days, over 3 days and up to 5 days, will be placed in the employee's HCSP.

ARTICLE XII: Discipline, Discharge, and Probationary Period

SECTION 1. Probationary Period: An employee shall serve a probationary period of 1 calendar year of continuous service during which time the School Board shall have the unqualified right to discharge such employee. During this probationary period, the employee shall have no recourse to the grievance procedure insofar as discharge is concerned. However, a probationary employee shall have the right to bring a grievance on any other provisions of the Master Agreement alleged to have been violated. A new employee shall not be considered a permanent employee until the employee has served this 1 calendar year probationary period. Subsequent to that period, the employee shall attain permanent status and may be discharged only for just cause.

SECTION 2. Discipline: Disciplinary action shall normally include only the following measures and shall normally be administered progressively depending on the severity of the incident. Disciplinary action may be taken against an employee for just cause.

The School Board or designee shall have the right to discipline/discharge an employee for just cause. Disciplinary actions by the School Board or their designee may include the following 5 steps:

- A. oral reprimand
- B. written reprimand
- C. suspension with pay
- D. suspension without pay
- E. discharge

The School District reserves the right to move directly to a higher level of discipline based on the seriousness of the offense and other relevant factors.

SECTION 3. Meetings to Discuss Discipline Measures: If a supervisor meets with an employee to discuss written reprimand, suspension, or discharge, the employee has the right to have a representative of the exclusive representative present. When possible, the School District will attempt to discuss with the employee(s) any concern which may lead to a disciplinary action and shall offer constructive suggestions for correction before any disciplinary action is initiated.

SECTION 4. Discharge Due Process: No employee who has completed the probationary period shall be discharged without having been afforded an opportunity to hear the reason(s) for the discharge and without an opportunity to offer an explanation of the relevant facts and circumstances surrounding the events which preceded the discharge and/or any extenuating or mitigating circumstances which the employee believes are relevant to the discharge decision. Whenever possible and practical, such opportunities shall be provided in a

conference with the School District which shall be conducted after advance notice to the employee and his/her representative who shall be permitted to attend the conference.

SECTION 5. Disciplinary Action Records: A written record of all disciplinary actions within the meaning of this article shall be provided to the involved employee(s) and will be entered into the employee's personnel file. Investigations into conduct, which do not result in disciplinary action, however, shall not be entered into the employee's personnel file. The disciplined employee shall be entitled to submit a written response to be included in the employee's personnel file.

SECTION 6. Probationary Period Change of Classification: In addition to the initial probationary period, an employee transferred or promoted to a different classification shall serve a new probationary period of 90 working days in any such new classification. If during this 90-day probationary period, the School District is not satisfied with the job being done in the new classification, the employee will be returned to the old classification with no loss of seniority in that classification.

SECTION 7. Unpaid Leaves and Probationary Period: Periods of absences for unpaid leaves taken under ARTICLE VIII, SECTION 2, and SECTION 7, or absences exceeding allotted sick leave will not count as part of the probationary period. The probationary period will be lengthened to equal those absences unless otherwise required by law.

SECTION 8. Seniority Date: Employees shall acquire seniority upon completion of the probationary period and, upon acquiring seniority, the seniority date shall relate back to the first date of hire. If more than 1 employee is hired on the same date, seniority ranking for such employees shall be determined by the order of hire.

SECTION 9. Job Posting: Job openings in any classification covered by this Agreement will be posted in all buildings in the School District for a period of 5 days. The School District determines what position is to be posted after an employee submits his/her resignation or leaves employment for other reasons. This allows for managerial transfers of employees prior to position posting. Employees interested in the positions must advise the School District in writing within the posting period. A permanent job opening is a vacancy in a position scheduled that provides enough hours for unit inclusion. Permanent job openings shall be filled within 40 days from the last day of the job-posting period.

SECTION 10. Job Posting Copies: Copies of all job posting shall be provided to the chief steward(s).

SECTION 11. Reduction in Force: The parties recognize the principle of seniority in the application of this Agreement, within classification, concerning reduction in force, provided the employee is fully qualified to perform the duties and responsibilities of the position. An employee on layoff shall retain his/her seniority and right to recall, within classification, in seniority order for a period of 15 months after the date of layoff. The employee must be fully qualified for the position to be recalled. Fully qualified means the person must meet all current federal and/or state qualifications for the position, even if qualifications for the position have changed since the date of lay off. The School District determines the actual date of recall. No job opening shall exist within the district if someone from that job classification is on layoff.

SECTION 12. Notifying the School District of a Change of Address: An employee on lay off must advise the School District of any change in address which occurs during his/her period of recall.

SECTION 13. Seniority List: A seniority list will be made up by the School District and posted once a year. When the seniority list is posted, an employee shall have 15 working days to request a correction on the list.

SECTION 14. Loss of Seniority and Related Benefits: Employees who are terminated during their initial probationary period, resign, retire, are discharged for just cause, or fail to return to work following the completion of a leave of absence, or fail to respond to a recall notice within 16 calendar days while on layoff shall lose their seniority rights, longevity pay, and other related benefits.

SECTION 15. Job Classifications: Employees may be reassigned within their classification whenever employee absences create the need for reassignment.

SECTION 1. Grievance Procedure: A “grievance” shall mean an allegation by an employee or group of employees resulting in a dispute or disagreement between the employee or group of employees, as filed by the exclusive representative, and the School District as to the interpretation or application of terms and conditions of employment insofar as such matters are contained in this Agreement.

SECTION 2. Representative: The employee, administrator, or School Board may be represented during any step of the procedure by any person or agent designated by such party to act in the party’s behalf.

SECTION 3. Definitions and Interpretations:

Subd. 1. Extension: Time limits specified in this Agreement may be extended by mutual agreement.

Subd. 2. Days: Reference to “days” regarding time periods in this procedure shall refer to all weekdays not designated as holidays by this contract or state law.

Subd. 3. Computation of Time: In computing any period of time prescribed or allowed by procedures

in this article, the date of the act, event, or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday, or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, Sunday, or a legal holiday.

Subd. 4. Filing and Postmark: The filing or service of any notice or document required by this Agreement shall be timely if it bears a postmark of the United States mail or if it has been faxed or personally served within the time period. The counting of the time line begins the day after the employee, the employee's representative, or School District receives notice.

SECTION 4. Time Limitations: A grievance shall not be valid for consideration unless the grievance is submitted in writing to the principal(s) or building administrator setting forth the facts and the specific provision(s) of the Agreement allegedly violated and the particular relief sought within 20 days after the date of the event giving rise to the grievance occurred.

Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance. An effort shall first be made to adjust an alleged grievance informally between the employee and the School District's designee.

SECTION 5. An Adjustment of Grievance: The School District and the employee shall attempt to adjust all grievances which may arise during the course of employment of any employee in the following manner:

Subd. 1. Level I - If the grievance is not resolved through informal discussion, the principal(s) or building administrator shall give a written decision on the grievance to the parties involved within 5 days after receipt of the written grievance.

Subd. 2. Level II - Superintendent: In the event the grievance is not resolved in Level I, the decision rendered may be appealed to the Superintendent, provided such appeal is made in writing within 5 days after receipt of the decision in Level I. If a grievance is properly appealed to the Superintendent, the Superintendent or his/her designee shall set a time to meet regarding the grievance within 10 days after receipt of the appeal. Within 7 days after the meeting, the Superintendent or his/her designee shall issue a decision in writing to the parties involved.

Subd. 3. Level III - School Board: In the event the grievance is not resolved in Level II, the decision rendered may be appealed to the School Board, provided such appeal is made in writing within 5 days after receipt of the decision in Level II. If a grievance is properly appealed to the School Board, the School Board shall set a time to hear the grievance at the next regular School Board meeting after receipt of the appeal. Within 10 days after the hearing, the School Board shall issue its decision in writing to the parties involved. At the option of the School Board, a committee or representative(s) of the School Board may be designated by the School Board to hear the appeal at this level, and report the findings and recommendations to the School Board. The School Board shall then render its decision.

Subd. 4. Grievance Mediation: Either party may request grievance mediation at any time by sending a written request to the BMS and by sending a copy of such requests to the other party.

SECTION 6. Denial of Grievance: Failure by the School Board or its representative to issue a decision within the time periods provided in this article shall constitute a denial of the grievance, and the employee may appeal it to the next level.

SECTION 7. Arbitration Procedures: In the event that the employee and the School Board are unable to resolve any grievance, the grievance may be submitted to arbitration as explained in this article.

Subd. 1. Submission to Arbitration: The grievant may submit to arbitration any grievance which has been properly processed through Level III of the grievance procedure. The exclusive representative must file with the Superintendent a written notice of intention to arbitrate not more than 12 days after the written decision of the grievance at Level III. Arbitration proceedings shall be conducted according to labor arbitration rules.

Subd. 2. Prior Procedure Required: No grievance shall be considered by the arbitrator which has not been first duly processed in accordance with the grievance procedure and appeal provisions.

Subd. 3. Selection of Arbitrator: The School District and employee or employee's representative shall endeavor to select a mutually acceptable arbitrator to hear and decide the grievance. If the School District and the employee or employee's representative are unable to agree on an arbitrator, they may request from the Commissioner of the BMS, a list of 5 names. The list maintained by the Commissioner shall be made up of qualified arbitrators who have submitted an application to the Commissioner. The parties shall alternately strike names from the list of 5 arbitrators until only 1 name remains. The remaining arbitrator shall hear and decide the grievance. If the parties are unable to agree on who shall strike the first name, the question shall be decided by a flip of the coin. Each party shall be responsible for equally compensating the arbitrator for his/her fee and necessary expenses.

Subd. 4. Jurisdiction: The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment contained in this written Agreement; nor shall an arbitrator have jurisdiction over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration procedure as outlined in this article; nor shall the jurisdiction of the arbitrator extend to matters of inherent managerial policy, which shall include, but are not limited, to such areas of discretion or policy as the functions and programs of the School District, its overall budget, utilization of technology, the organizational structure, and selection and direction and number of personnel. In considering any issue in dispute, the arbitrator's order shall give due consideration to the statutory rights and obligations of the School District to efficiently manage and conduct its operation within the legal limitations surrounding the financing of such operations.

Subd. 5. Decision: The decision of the arbitrator shall be final and binding on all parties to the dispute. The decision shall be issued to the parties by the arbitrator, and a copy shall be filed with the BMS.

Subd. 6. Extension of Time Limits: The parties, by mutual written agreement, may waive any step and extend any time limits in this grievance procedure.

Subd. 7. Employee Participation: Employees shall not lose wages due to their necessary participation in grievance hearing held locally during the working hours. No reprisals of any kind will be taken by the School District against any employee because of his/her participation in this grievance procedure.
